MEMORANDUM FOR MR. DULLES

25X1 1. [] called in person on 19 December and talked with me in general terms. Our conversation tended to confirm his mission as stated in In 20860.

25X1 2. He noted that he will not take over his duties [] until after the first of the year.

25X1 3. He reported that [] will not come to this country until after [] has talked with you. In view of [] key role [] and the fact that it reconvenes on 19 Jan., there is some reason for urgency in his seeing you. Accordingly I gave him a tentative appointment to see you at 12 o'clock on Friday, 2 Jan. in your office. He will then seek your guidance as to what approach, if any, should be made to the new administration before inauguration day with a view toward helping [] in his critical problem on the contractual agreements.

25X1 4. [] conveyed his personal greetings.
